## St. Stephen's Episcopal Church

*A vital, eclectic Episcopal congregation committed to the ministry of all the baptized*

### From Fr. Jamie

One thing you hear me say again and again is that Easter doesn't simply end at sundown on Easter Day. It lasts for 50 days. But, I really believe that all Christians should live in the Easter spirit every single day of their lives.

In this Easter season, I invite you to celebrate Easter every day, fully and completely in your life. St. Augustine once said that a Christian is "an Alleluia from head to toe." I always took that quote as a personal challenge of living out my life as a Christian. I hope you too take it as a challenge and will strive to live out your life during this Easter season and beyond as an Alleluia from head to toe.

-peace,  
Jamie+

### Great Plains Food Bank - May 6

Our first opportunity to package food items at Great Plains will be on Saturday, May 6, from 10 - noon. We'll need *at least* 10 volunteers but we can use more volunteers. Older children are welcome to come along with their parents. The facility is located at 1720 3<sup>rd</sup> Ave. N. in Fargo. There is a sign-up sheet in the undercroft.

This is a new outreach/service opportunity. We are signed up for four additional Saturdays in 2017: July 30, September 30, October 29, and December 31. Plan to join the group on May 6 and learn more about the Great Plains Food Bank and their impressive work to address hunger not only in Fargo-Moorhead but across the rest of North Dakota as well.

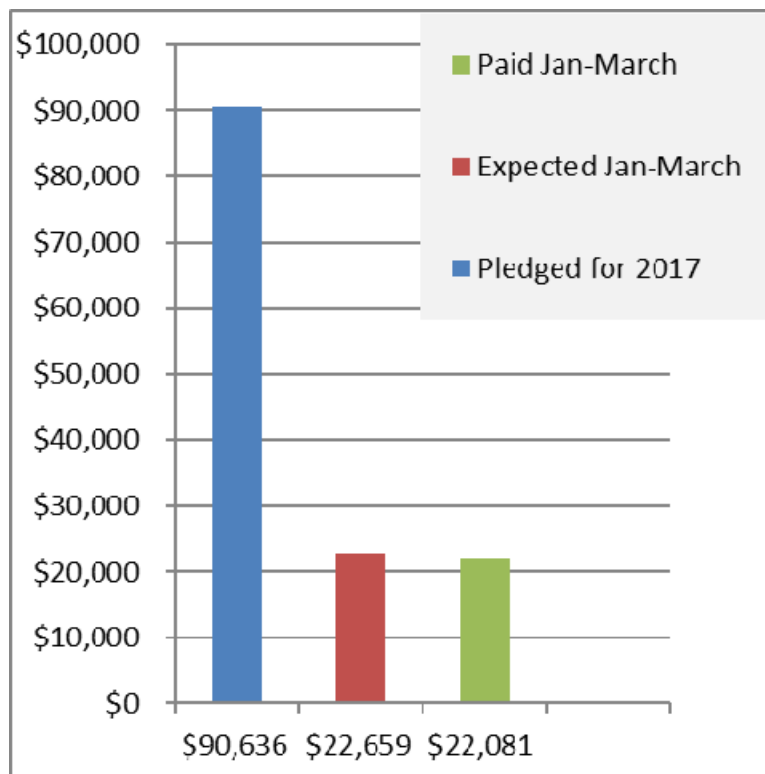

## Ingathering for ER&D - April 23

Plan to bring the Episcopal Relief & Development (ER&D) coin boxes (or at least their contents!) to church for our ingathering of these offerings on Sunday, April 23. The contents of our individual boxes will be combined with the ER&D Sunday and the Lenten Wednesday offerings. Together we anticipate that there will be at least enough money (\$175) to pay for one family's share in a community garden through ER&D's Gifts for Life.

This is one small - but important - way we help alleviate hunger in the wider world and address Sustainable Development Goal #2 to end hunger, achieve food security and improved nutrition, and promote sustainable agriculture. Don't forget your coin box on April 23. Of course contributions, in addition to those from the coin boxes, will be welcome on April 23 as well.

## The Financial Pledge Picture

At the annual meeting, several people suggested that a periodic update on pledge income would be helpful. The graphic below shows the total 2017 pledge amount, the pledge income expected after the first three months of the year and the actual pledge income for those three months. As the graphic shows, we are behind expected pledge income by \$578.

## Amos & Micah

Steve Bolduc and Amy Phillips will be facilitating a discussion of the Prophets Amos & Micah on April 23 after the service at approximately 12:45 in the office downstairs. Everyone is welcome! Feel free to read the prophets ahead of time and bring your Bible.

## Last Children's Chapel

The last Children's Chapel of the season will be May 21. Join us on that Sunday as we recognize all our students, teachers and helpers who helped make Children's Chapel such a success this year!

## Rogation Sunday

Join us on Sunday May 21 for our annual Rogation Procession and Blessing of Seeds and gardening implements. At the conclusion of the service, we will process to the Memorial Garden of a blessing of the elements, including any seeds and gardening implements you would like to bring. So, please plan to bring any items you would like blessed at this celebration of the planting season.

# Dedication and Blessing of the Integrity Window

The third stained glass window in a series of windows being placed in our nave was dedicated and blessed during the 11:00 a.m. celebration of the Holy Eucharist on Sunday, April 2.

The “Integrity” Window (a.k.a. the St. Aelred Window) commemorates St. Stephen’s long and proud ministry with the LGBTQ community. We are so proud to have this addition to our church. Our very own Gin Templeton designed the window and Michael Orchard Studio of Fargo built and installed it.

Commemorating St. Aelred of Rievaulx (1110-1167), the patron saint of Integrity (the LGBTQ organization in the Episcopal Church), the window features an overarching rainbow, the Pride flag, and the St. Stephen’s Noah’s Ark float used each year in the Pride

Parade. The message of the window of “Will you strive for justice and peace among all people and respect with the dignity of every human being?” comes from the Baptismal Covenant of the Book of Common Prayer. A verse of scripture from the book of Galatians is also included in the window.
